General rules:

The competition is held by the rules of PSS, FINA and this competition.

Competitors are divided into groups, according to the reported time, regardless of age. The fastest group starts last.

Each competitor has the right to participate in any number of disciplines. The categories are closed, except for category "A" (absolute) in which the right to participate have all swimmers, regardless of age or category.

The organizer has the right to limit the number of competitors in each discipline of absolute categories, according to the value of reported results.

The winner of the Memorial is one male and female competitor who wins the most points from the four most valuable disciplines. Scoring is a system of small points for the following: 1st place - **10** points; 2nd place - **9** points; 3rd place - **8** points; 4th place - **5** points; 5th place - **4** points; 6th place - **3** points; 7th place - **2** points; 8th place - **1** point. If two or more competitors have the same number of points, the winner is the competitor who has the most points out of all outswam disciplines. If this does not solve the winner, the winner is the competitor with the best result by FINA points.

The competitors, male and female, from the categories B, C, D, E and F with the highest number of small points from four events, two of the first and two in the second part of the program, are the winners of the Memorial for the category. In case of a tie, the same rules apply as for the Memorial.

Awards:

The first three competitors in each event and category will be awarded with medals.

The most successful competitors, male and female, in categories B, C, D, E and F, receive merchandise prizes.

The winner of the Memorial, male and female, will be monetarily rewarded with 10,000 dinars.
