First in line is International Swim Meet "Sarajevu s ljubavlju" organized by Swimming Club "Bosna" from Sarajevo. Second is International Swim Meet "11 April Grand Prix" organized by Swimming Club "11 April" from Belgrade. Third and last is International Swim Meet "22 April" organized by Academic Swimming Club "22 April" from Banja Luka. Local organizers form the Organizing Committee responsible for implementing this unique regional project.

Each local organizer is responsible for providing and delivering awards and prize money for best competitors in accordance with rules and regulations for that particular swim meet.

Swimmers entered for local meets, besides competing to become best ranked swimmers on each of three international competitions are also competing to win a fraction of "Balkan Cities Grand Prize".

Ranking to determine top four male and female competitors is being used in each local swim meet. Criteria for determining the best male and female competitor is the sum of three best performances from three different events according to FINA Points Table achieved in the heats or in the finals.

Besides the official awards and prize money, top four male and female competitors are being awarded with points ( first position - 4 points, second position – 3 points, third position – 2 points, fourth position - 1 point ). In case two or more swimmers obtain the same sum of points during their participation in local meets, the swimmer with the largest FINA Points score, regardless of the event will be promoted to a higher rank.

Closing Ceremony and presenting of "Balkan Cities Grand Prize" will be organized at the end of International Swim Meet "22 April" in Banja Luka.

Male and female swimmers ranked third in total at the end of this regional competition system will be awarded with 500 euro each, male and female swimmers ranked second in total will be awarded with 750 euro each and best male and female swimmer will be awarded with 1000 euro each.
